## ANNOUNCEMENT

---

---

Cash rules the world. One of the reasons for the present high cost of living is the extensive credit which has been given for the past number of years, affecting producer, merchant and consumer alike. It may be considered old-fashioned to buy *for cash* and get every cent's worth of value you pay for, but we believe there are enough old-fashioned people—as far as dollars and cents is concerned—in this district to recognize the great savings offered in this price list. In this store we practice precisely what we preach. Every item listed herein has been purchased on a strictly cash basis. The goods are all fresh and of the highest quality. We guarantee every item to be of good grade and if not satisfactory your money will be cheerfully and promptly refunded. Send us a trial order. That is all we ask.

Yours savingly,

THE O'FLYNN CASH GROCERY

Copper Cliff, Ont.
